

Our Juniors

Yoga

Yoga Meditation is a morning ritual in the Junior Campus, a discipline practiced to centre positive energy in the yogis and extend peace and spiritual awareness to the school community.

Defence Day Presentation

We salute the forces on Defence Day. Students proudly wore uniforms of the forces as a gesture of appreciation for our brave soldiers.

Hygiene Theme

Different aspects of hygiene were covered with the students. The digestive system, hand washing, bacteria, airborne diseases, disinfecting procedures, personal hygiene, cross contamination and fermented food were some of the topics touched upon.

Winners of English Elocution grade 1-5

Hampton Junior Campus

English Elocution

What a Stella performance! Special thanks to teachers and parents for bringing the best out in these little poets. The participants were full of creative expression and intellect.

Eid Milan Class Party

The Eid Milan party is an occasion that all children await eagerly. Eid symbolizes happiness, friendship, giving and sharing. Students observe this day out of school uniform and enjoin in the spirit of Eid by sharing their lunch with their classmates etc.

Annual School Play

"Time Travelers" a spectacular Annual Musical Play 2017, was staged by Hampton Junior Campus. It was an outstanding performance by Preschool and Junior Campus. We found ourselves smiling throughout and wanting to sing along.

Balanced Diet Science Activity

A 2-day hands on activity was conducted by grade 4 & 5. Students identified Healthy food versus Unhealthy food, an activity that reinforced revision for the topic "Diet" in Science. They bought in different kinds of meals to share and identified food groups.

Animal Cell Science Presentation

We believe in interactive fun in our class rooms. An interactive science activity where students had to identify and talk about the parts of the animal cell and types of seeds. We saw some brilliant art and craft work showcasing the project.

Urdu Elocution

A literary activity held in Dec at the Junior campus where students recited poems beautifully. They rendered the works of Mir Dard, Ghalib and Iqbal.

Literacy Event Letter Writing 2017

It was a literary presentation that encouraged students to write informal letters in both Urdu and English. Letters inspired creative thinking and delivery in Urdu and English in the form of an onstage skit sans props and sound effects..

Read A Thon, an initiative taken by the Library to inculcate reading habits in the children. A structured reading program was implemented according to grade and level. The enthusiastic participants were certified for their efforts.

Our Seniors

Student Council

The Student Council is the official body for representing student needs within the structure of the Faculty. The students submitted a mandate, were interviewed and then elected. They aim to resolve any issues concerning the students. We hope that their endeavors will also benefit future students.

Astropoetica

Our students were invited to participate by the Origins school to participate in a poetry recital competition. The theme was Astropoetica, poems with astronomy, the stars, the moon, and so forth, as themes or as major parts. Our students performed exceptionally well.

Creative Writing

The library has begun a focus creative writing project based on 12 weeks. These projects focus outside the bounds of formal writing; typically identified by an emphasis on narrative craft, character development, and the use of literacy. The students will be doing interesting projects like cartography, poetry and fact findings.

Learning Nature

Grade 6, 7 and 8 went to The Pasha Farm in October for a field trip. They learnt about nature, plants, animals, birds, the environment, & sustainability to the arts and crafts. Special emphasis was paid to the concept of food security and organic farming. The students had a great time with lots of "Hands On" experiences.

Cricket Match

Friendly Cricket: A Match was held between the Alumni, Students and Faculty at the Senior Campus in August which is an annual event. Faculty won the match scoring most runs. It was a hot afternoon yet we saw great cheer and high spirits.

Annual Play

Kolachi high, A musical was performed on 9th November 2017. The script was written by our senior students. It was a musical play based on the life and issues of students today. Our children worked very hard to put up a great show which received huge applause and appreciation.

Topology of Networks

Hampton school has introduced a detailed computer class. We now have an extensive curriculum which aims to provide students with an understanding of the role that computers play today. They will be taught basics of programming and web development too.

Football Team

Meet our football team for the academic session. Players are from grade 8,9,10 and 11. The players have been through a rough practice session with our sports faculty and have participated in many inter house and inter school events this season.

Bake Sale

A Bake Sale was held on 20th November to raise Charity for The Citizens Foundation to build schools for the under privileged. Teachers made some wonderful goodies to be sold and students and staff participated enthusiastically.

Face to Face

Our Teachers were part of the Face to Face, A CAIE workshop held in Sept for Urdu and Economics

CANVAS @ HAMPTON

Principal's Message

Dear Hampton Families:

As a part of the marvelous Hampton family, parents, students, and teachers work together to ensure academic success for all students in a positive, learning focused environment. Our faculty and staff work hard to ensure all students are provided with enriching learning opportunities in order to become creative and critical thinkers. Moreover, our student centered campus culture helps each student work towards his or her full potential through a well-rounded curriculum and a variety of extra and co-activities.

To maintain that environment we provide a safe and inviting atmosphere where all students learn responsibility and respect for others, and enjoy coming to school. Both our students and staff demonstrate positive behaviors that focus on "being safe, being responsible, and being respectful."

We need your help and support to bring out a child who has a well-rounded personality. The four Cs, communication skills, confidence, the art of calculating mentally and compassion is what we work on.

We need you to support our cause by giving the child quality-time and enough peaceful time to do home reinforcement exercises to develop self esteem, along with reinforcement of work ethics

Your participation is welcomed in some very important ways. We need parents and community members to come forward and participate actively in the school. All extra activities, such as assemblies, the concerts, sports day and field trips require many helpers. Your help allows us to offer exciting, engaging educational programs for our students.

I look forward to a great year and working with such an amazing community!

Sincerely

Afroza Bhamani

Spotlight @ Hampton

Independence Day was celebrated at the school with patriotic zest. The teachers were dressed up in green and white. The flag was hoisted; the children sang patriotic songs along with the national anthem. Speeches were made highlighting the importance of freedom and self-reliance and the tireless efforts and countless sacrifices of our country-men. The preschoolers planted small saplings of trees outside the school wall. The preschoolers water the saplings which have now begun to grow.

Pakistan Throw ball Team Heartiest Congratulations to Dua Mughal and Fatima Malik who have been selected for the Pakistan Women's Throw ball Team. We are super proud of these young ladies.

Peace Day was celebrated on 21st September. The students rendered a unique version of "We Are the World", wrote peace messages on a pigeon mural, released birds in the air and formed a peace sign during assembly. Speeches were made highlighting the importance of world peace, and specifically the absence of war and violence everywhere. The Preschoolers celebrated this day by going green and a plantation activity was held in school.

Futsal
Our Futsal Team has been very busy this season. Inter School matches were played against several schools. We won by 3 goals from the British International School. Evaz Achakzai, a Hamptonian was nominated Best Player and Best Goal Keeper of The Bayview College Futsal Tournament.

Saad Khokar -Best Player of the Match in British International Futsal Tournament 2017

Essa Khan- Best Player 7th Haque Academy Futsal Tournament.

Sir Ivan Rittman, our sports co coordinator has been selected as Pakistan Throw ball Coach, taking the team to participate in the Throw ball World Championship being held in Indonesia. A series will be played in Malaysia as well.

SPELT Oct 2017

Our teachers attended a spelt workshop in October. SPELT organizes teacher training workshops in order to help teachers groom their skills. These workshops give the teacher the information and tools they need to integrate technology in the classroom as well as continuous development units to help their class methods.

Welcome
We welcome Ms Humera Javed as the Vice principal of our junior Campus. Ms Javed has a vast experience of many years in education.

Award
November 16 2017 marked a milestone for Hampton School. We were accredited for Outstanding Development of The International Dimension in the Curriculum 2017-20. This award was won By 300 schools globally.

Computers are the way forward. Hampton has set up a computer lab with state of the art technology. Computer Class has been introduced as a graded subject to students. Soon we shall offer Computer Science as a CIE subject as well.

Teachers Day is held annually on October 5. "Empowering Teachers" is the theme of this year. We celebrated this beautiful day with our students who presented us with beautiful quotes, messages and gifts. A cake was cut as well during assembly. Faculty was awarded momentos as an appreciation for their dedication and commitment to academic excellence. Students came on stage and spoke about their favourite teachers.

Our Pre School

Eid Milan Party

In September, the Preschoolers enjoyed dressing up in their Eid clothes for the Eid Milan party. It was celebrated with a lot of festivity and fervour.

Annual Concert

In November our little enthusiasts visited different eras in History. The Kindergartners acted and narrated beautifully. They were the wise Egyptians, the Pre-Kindergartners dressed up as brave Romans and the Nursery children were dressed up as the Chinese. We are very proud of our superstars.

Grandparents Day

Later in September our little scholars invited their grandparents to come and spend a day with them in school. Each grandparent felt very special when they did arts and crafts, took pictures and ate delicious food with their grandchildren.

Winter Festival

In mid December the preschoolers decorated the Christmas tree with art and crafts activities that they did in class. Our little helpers worked hard to set up the decorations in school. They sang songs welcoming winter and spread of joy and merriment.

Healthy Breakfast Morning

In December on a cold winter morning the preschoolers brought in healthy things from the five food groups and the children chose and ate their favorite food from those five food groups. They were conscious eaters and refused to indulge in unhealthy items.

Myself Presentation

On the 3rd of October the preschoolers went on stage in front of their parents and spoke few lines and danced on the stage. The Nursery children danced on the song, "I love my family" while Pre- Kindergartners and Kindergartners spoke few lines about themselves and danced on various songs.

Fruit and Vegetable Salad

The preschoolers brought fruits and vegetables from home and made different salads. They enjoyed eating different varieties of fruit salad. The Nursery children enjoyed their potato corn salad and dipping their carrots and cucumbers in cheese dips, while the Pre-Kindergartners and Kindergartners enjoyed eating sautéed peas and carrots.

Fruit and Vegetable Vendor visits

Later in November a fruit and vegetable vendor was asked to bring his cart full of vegetables and fruits, who told the children about the different fruits and vegetables. The children also sang fruit and vegetable songs.
